

The image features a large, central red rounded square. Inside this square, there is a faint, stylized logo consisting of concentric circles and curved lines. Overlaid on this is the word "parkfender" in a white, lowercase, sans-serif font, followed by a registered trademark symbol (®). The background is a light gray, futuristic-looking space with four glowing white light tubes on the ceiling and two yellow and black striped hazard markers on the floor. A large white arrow points upwards from the bottom center of the frame.

parkfender®
